

## GIS Technicians

Matrix Solutions Inc. is a 100% Canadian-owned environmental and engineering consulting company specializing in providing practical solutions to our clients, both domestically and internationally. Over the years, Matrix has expanded both our service and geographical base and has become a recognized leader in:

- environmental and social impact assessments and audits;
- environmental management, planning and regulatory compliance;
- environmental site assessment, remediation and reclamation;
- environmental monitoring;
- hydrology and hydrotechnical engineering; and
- overburden characterization and oil sands delineation.

Our client base includes all levels of government; upstream and downstream oil and gas; mining; power; forestry; agriculture; manufacturing; and commercial developments.

Our Geomatics group in Calgary office seeks GIS personnel to support our growing team.

The Geomatics group supports our project teams in providing mapping, data analysis and data collection in completing environmental work for our clients.

These are junior/ intermediate positions, and the ideal candidate must:

- Demonstrate an ability to read, analyze and interpret technical procedures, regulations, drawings and job specifications;
  - Have excellent English communication skills (verbal and written);
  - Be able to work well in a team atmosphere.
- Possess an GIS Technology Diploma or equivalent;
  - Be proficient with ArcGIS Desktop

Matrix Solutions offers a comprehensive compensation package that includes an employee share-ownership program, profit share, employer RSP contributions, and an education fund. But, that's only a piece of what it means to work here! We are also committed to flexible work hours and schedules, team-based work, cross-training opportunities, and rewarding our star performers.

If you think this opportunity is right for you, please submit your cover letter and resume to [www.matrix-solutions.com/careers/career-portal](http://www.matrix-solutions.com/careers/career-portal). This positions will be open until filled.
