

Viterra Inc. provides premium quality ingredients to leading global food manufacturers. Headquartered in Canada, the global agribusiness has extensive operations across Western Canada, Australia, and New Zealand, with Adelaide, Australia as the base for Viterra's Southeast Asian operations. Our growing international presence also extends to operations in the United States, and offices in Asia and Europe. Driven by an entrepreneurial spirit, we operate in three distinct businesses: grain handling and marketing, agri-products, and value-added processing. Our expertise, close relationships with producers, and superior logistical assets allow the company to consistently meet the needs of the most discerning end-use customers, helping to fulfill the nutritional needs of people around the world.

Sales Representative - Trainee

Various locations

We have opportunities for individuals looking to enhance their current education and skills with a career in a professional sales position. The Sales Trainee will be exposed to a range of learning opportunities required to be successful in an agricultural sales function including: direct work experience, mentorship, classroom and online training, as well as a variety of hands-on experiential opportunities in the areas of: country operations, customer solutions, grain merchandising, logistics, sales and marketing. This position works in conjunction with the local sales team, promoting marketing programs to an existing customer base. Upon completion of the developmental program, successful candidates will be eligible to apply for open Sales Representative or managerial positions in any of Viterra's locations.

Ideal candidates have a degree in agriculture, business administration or commerce. Equivalent combinations of education and experience resulting in the required level of knowledge, competencies, skills and abilities may be considered. Experience in agri-business and/or customer service is an asset. Candidates should also demonstrate strong creative, judgment, problem-solving and decision-making skills and abilities.
