

“ Playing volleyball for ACC has been a great experience during my first year of college. I play the sport I enjoy most and have made great friends. The weekend trips for tournaments are always a blast, not only playing the games but also bonding with the team. I’m already looking forward to next year! ”

— Jordan

“ I like how the teams work hard to win and represent ACC. We have fun and it’s great how the coaches get along with the team members, but push us to do our best and improve our skills. ”

— Jocelyn
