

BUSINESS ADMINISTRATION

**2-YEAR
DIPLOMA**

It's not business as usual. Big or small, in every industry and market around the world, organizations of all makes and models need your input and creative problem-solving.

Why should you choose Business Administration?

- 1 Prepare for launch**
 Complete this two-year diploma and you'll have endless options and possibilities on your horizon. This program gives you a strong base in business knowledge, so you can then launch your career in a way that makes sense for you and the future you want.
- 2 Up, up and beyond**
 Learn to understand the world of business from a global perspective, as well as the social and ethical responsibilities needed to flourish within commerce. Business Administration is the first step in your academic journey, and this program will prepare you for further studies for a university degree or professional program.
- 3 Choose your flight path**
 Focus your interest on one of four specializations. Interact with and learn from community business leaders and instructors with strong industry connections. Hone your skill set through collaborative group work and networking with potential employers.
- 4 An accredited business program**
 Pursue your business education from an ACBSP accredited business school. Assiniboine's Business Administration program is committed to teaching excellence, delivering a quality academic program, continuous improvement, and educational support.
