

CULINARY ARTS

**2-YEAR
DIPLOMA**

Indulge your creativity and rise to the challenge in this demanding trade program. Take on the full menu of food preparation, including nutrition, presentation and international cuisine.

Why should you choose a career in Culinary Arts?

- 1 Nourish your career**
 This two-year program brings you into the kitchen with everything you need to start your culinary career. In and out of the classroom, you will work closely with instructors through industry-based competitions, community projects and events. After graduation, you may be granted Level 1 and 2 towards becoming a Red Seal Chef once you register as an apprentice.
- 2 Sweet classrooms**
 Follow your taste buds to the Manitoba Institute of Culinary Arts at our North Hill campus in Brandon. Campus grounds overlook the river valley below. The beautiful heritage building features a spacious modern teaching kitchen, culinary theatre and a 60-seat dining room.
- 3 Kitchen confidence**
 You will research and plan menus for buffets, banquets, festivals and other events that you and your team will put on throughout the year. Distinctive ingredients that you help choose will need special culinary touches, and you will learn the techniques you need to bring them to mouth-watering reality.
- 4 Cater to the community**
 Help host some of Brandon's best annual events, including the popular Great Grey Owl Restaurant. You will be a public face of college-grown food as you work side-by-side with students from other programs. Showcase the tasty side of sustainability as part of a field to fork approach you can be proud of.
