

# FINANCE (WITH CO-OP)

**ONE-YEAR  
ADVANCED  
DIPLOMA**

This advanced diploma is comprised of our eight-month Finance program and a paid, four-month co-operative work placement. Set yourself up for success with this unique blend of classroom learning and work experience, and hit the ground running as a licensed mutual fund representative.

## Why should you choose a career in finance?

- 1 Be job ready**  
Industry exams are written as part of your program curriculum, and you will be licensed to sell mutual funds. Obtain credit from the Investment Funds Institute of Canada for financial planning by registering directly with the organization. Peak employers' interest with an advanced diploma that will give you the skills needed to get to work right after completing this program.
- 2 Pave the way**  
Become a go-to solution provider for clients looking for financial advice. Hone your research and analytical skills and put them to good use by matching up the right opportunities for the right clientele. Everyone wants financial freedom, and you can help your customers achieve their goals.
- 3 It all adds up**  
Fast-track your career in the financial services industry with this unique program. The combination of courses positions you to succeed in many entry-level careers, while the paid, four-month work placement allows you an opportunity to demonstrate those skills while learning from professionals in this fast-paced industry.
- 4 A global market**  
Let your career take you anywhere in the global finance industry. Find opportunities working with clients within banks, credit unions, investment companies, and insurance agencies.
