

## Program Coordinator

### School of Nursing – Contract Training

Full time Term (term ending June 27, 2025)

Competition #: 130-2324

Brandon, Manitoba

Salary: \$66,032 - \$82,450 annually

Classification: Program Coordinator Extension Serv 1 (PCE1)

Assiniboine Community College has been providing exceptional learning experiences that have been transforming lives and strengthening Manitoba through applied education and research for more than 60 years.

The Program Coordinator plays an important role in developing and maintaining relationships with the Indigenous communities and organizations that we work with across the province. This position coordinates the delivery of programs, primarily in the School of Nursing, by implementing approved program plans and budgets. The Program Coordinator, working closely with academic managers to provide on-going support to our community-based programs and ensures course relevance, excellence, and uniformity.

### **Be Passionate and Take Initiative with these Responsibilities:**

You will be passionate about supporting education and engaging with Indigenous communities and industry partners throughout the province, coordinating training that meets their needs and supports economic growth throughout Manitoba. The ideal candidate will be a self-starter and require little direction. You will be well organized and an outgoing individual that takes initiative. You will be responsible for establishing, fostering, and maintaining relationships with our community partners, students, and stakeholders to ensure success for our community-based programs. Some responsibilities include:

- Develop credential programs that may require institutional or government approval
- Develop credit, non-credit, career and professional development, as well as workforce and labour market programs for traditional, non-traditional and lifelong learners
- Work collaboratively with ACC's academic schools and other post-secondary institutions to deliver certificate, diploma and degree programs
- Create program proposals ensuring it meets requirements
- Ensure curriculum quality meets the requirements of the institution, government agencies, First Nations, and other post-secondary institutions
- Ensure integrity of programs are maintained through planned quality assurance visits
- Prepare and monitor program specific budgets to meet targets

### **Be able to deliver results:**

- Degree in a relevant field
- Experience in post-secondary administration, including personnel and financial management
- Project coordination or project management experience
- Excellent communication skills and creative problem-solving skills
- Knowledge of Indigenous cultures in Manitoba
- Ability to deal with multiple projects at a time
- Ability to work occasional evenings and weekends, as well as periodic travel

In the spirit of the Truth and Reconciliations Calls to action, and to move the College's Indigenous Strategy forward, preference will be given to Indigenous candidates.

*This competition will remain open until the position is filled.*
